GUEST INFORMATION ON ENVIRONMENTAL PROTECTION

Protecting the environment and using our natural resources responsibly is especially important to us. Please support our efforts!

How you can contribute

- _ opt for eco-friendly travel by arriving via public transport
- _ use the designated bins for waste separation, if you're unsure or handling hazardous materials, please speak to our staff
- _ share your ideas and suggestions to help us further enhance our environmental initiatives

The Austrian Ecolable for tourism, hospitality and cultural venues

We have been awarded this certification because we ...

- _ use energy and water responsibly.
- _ actively avoid waste.
- _ rely on renewable resources and eco-compatible products.
- _ ensure that our staff embrace and apply these principles.

Compliance with the criteria is subject to regular audits conducted by independent institutions.
